## Welcome Spring!

Hello Sew Happy Friends!!

The weather is getting warm and calling us outside once again. But don't forget all of those great projects that you have started in the last few months! We have open sew everyday and will keep you motivated. We normally always have a classroom full of ladies of all different levels of skill sewing.

As much as I hate to say it—don't forget to start working on projects for Christmas gifts. I have made a day in April to get everyone started and keep those going. We all think about hand-crafted gifts to late and have a hard time getting them quilted before the big day arrives.

Happy Spring!!

Your friends at Sew Happy

## New DAYTIME Guild Forming

We have had several women ask us to form a daytime guild—a group that meets during the week, during the daytime while our loved ones are at school or work, a group of ladies that all enjoy laughter, lunch and sewing, a group that would sew on UFOs for PIGS and occasionally a small charity project.

We will figure out all the details once the group meets the first time.

Friday, April 1 & Friday, May 6  
10:30—3:30

Bring a PIGS or UFO and your machine!!
