## Hot Summer Days

This is what they call the "dog days of summer"....and man is it hot!! Our quilters are finishing projects left & right with all these hot days keeping them inside in the A/C. It has been exciting to see all the great completed projects coming in to get borders, 108" backings, and being shipped off to the quilters. Completed projects only mean one thing—new projects & challenges to come!!

We are happy to introduce new classes/groups starting in the next few months. In August, we are starting a Miniature Club. Miniatures will be introduced twice a month. Join our club for \$5 and buy 6 Miniature Kits and get the 7th free. Also in August, check out our "Four Seasons at Minglewood" Christmas Quilt Block of the month from Debbie Roberts. In September, we will be starting our next Embroidery project from Crabapple Hill—Calendula Patterdrip's Cottage. A new quilted Christmas Ornament will also be introduced every Monday in September thru December. In October, join our Monday Strip Club with SHQ designed patterns & join our Mystery Quilt named Nature's Gift. In November, we will be starting a new Block of the Month using Moda's upcoming line Etchings from 3 Sisters. Details for all of the clubs & groups in the newsletter.

Lots of fun in store for the upcoming months!! We are "sew" excited to be open an extra day at the shop & loads of new projects to start! Join us for fun!!

Stay cool!!  
Rachelle

## NEW HOURS!!

We will now be open on MONDAYS starting September 12th!! We are excited to be able to open the extra day and will be having special groups on Mondays!!

Can't wait to spend another day a week with some of our favorite "sew"ers!!

## SEW DAYS!!

Don't forget our classroom space is open everyday for you to use. Space is sometimes limited but feel free to call ahead and let us know you want to come. We will save you a seat!!

Sewing in the shop provides you with a little extra help and fellowship with other sew-ers!

## Today's Tidbit

Hate "un-sewing" seams??? Here is a time saving little tip.

If you take your seam ripper and cut every fourth stitch on the stitching line, when you pull the two pieces apart it goes really fast and you don't have to remove every stitch.
