Ring in the New Year!

Hopefully with the beginning of a new year, we all have lots of old projects finished and are ready to start new ones. Bring your machine and any project you would like or join us on a class day to work on your sewing! Sometimes a little fellowship & laughter helps get us motivated to finish things up and get rid of some of the "winter time blues".

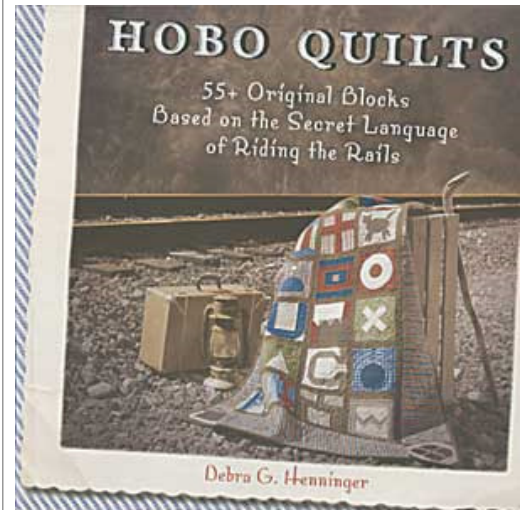

We have many projects started with our Sew Happy friends and hope to get them finished up in the next couple of months — Underground Railroad, Fondest Regards & QuiltSmart Lonestar. Even though we have these started, it is never too late to join us and learn the techniques used. We have 3 classes on the calendar that we had hoped to get started in November but with the holidays and everyone's busy schedules, we have pushed them back to 2011 — Amy Butler Bag Day, Six Halves Make a Whole & Round Pegs in a Square Hole. Bring your machine on the class day and start a new exciting project! The newest project we are working on is the Hobo Quilt Club. See the description and class info on the right.

At this time, I am not starting a Block of the Month for 2011. Thank you to all of you that have completed my first Block of the Month!

Look for a new Embroidery class in March as well as a hand-appliqué class.

Happy 2011!!
Rachelle

New Members Wanted — Tangled Threads Quilt Guild

The Tangled Threads Quilt Guild meets on the first Saturday of the month in our shop.

The next meeting will be on Saturday, February 5th at 10:00.

NEW MEMBERS WELCOME! Join us in February!

We have a short meeting with a show & tell, and potluck lunch. We are a very informal group who like to laugh, eat and share our talents. Bring your machine and a UFO or PIGS (Project in a Grocery Sack) to the meeting. The shop will stay open until the last member is ready to leave on Guild days—don't worry, we will be having fun & won't be ready to leave by regular closing time.
